Caregiving Youth Project Newsletter

The Caregiving Youth Project (CYP) helps identify, recognize, educate, and support students who care for chronically ill, injured, elderly, or disabled family members. This allows caregiving youth to achieve success, have fun, and make new friends, while promoting academic and personal growth.

A Note from Dr. Connie

Dear CYP Students,

In science classes we learn about metamorphosis - how a caterpillar makes a cocoon and becomes a butterfly. Without that chrysalis time in the cocoon, transformation would never happen. We have been in a COVID cocoon!! How can we use our personal chrysalis time as one of being, learning, and growing into the butterfly we are meant to be?

Welcome New Employees: Autumn and Japhe

AACY is excited to welcome back one familiar face, and introduce a new one!

Autumn Rogers-Vasquez, MSW (pictured at left) interned with AACY in 2020, while obtaining her Master's degree from Florida Atlantic.

Welcome New Activities Manager

New Activities Manager, Gaby Alvarez

My name is Gabriel Alvarez-Mulero but go by the name of Gaby. I was born and raised in the island of Puerto Rico on a coastal city with beautiful beaches. I graduated with a Bachelor's degree in Physical Education from the University of Puerto Rico while being a student manager for the men’s and women’s basketball teams. I earned my Master's degree from Universidad Metropolitana in Recreation & Leisure Management.

I previously worked at the Boys and Girls Club of Puerto Rico as the Sports & Recreation Coordinator. In 2017 after Hurricane Maria destroyed the Island, I decided to move to the United States for a better quality of life.

When I am not working, I enjoy spending time with my family, going to the beach, playing video games, watching TV and playing catch with my furry best friend, my dog Max.

I am excited to be your Activities Manager and for all of the fun times we will share!

I can't wait to learn and grow from my experience here, create relationships with my families, and I am so thankful to have this opportunity working with caregiving youth."

In her spare time, Autumn enjoys her family, friends and music; loves meeting new people; and can't wait to meet you!
